Shine, Snow, or Twenty-five Below

We Always Go . . . To School

As the years come and go, our thoughts and memories sometimes become hazy and dim. Therefore, we hope that when you pick up your 1951 Olnean in later years, you will recall the old days at E. R. H. S. and the former classmates who helped make your days at school a big success.

EAST RICHLAND

COMMUNITY HIGH SCHOOL

Olney, Illinois

"Could this be the room?"

"You got the money . . . we got the books!"

Trouble, Trouble

As We Go

Caught in the act!

Freshman Day and the renting of our books started school off with a bang as everybody was looking forward to a big year. A few of our ideas were too big and had to be modified by the upperhand.

Outside activities such as the Camera Club's hay ride and wiener roast added fun to the fall days. Other days were brightened by pep sessions and programs.

Good time was had by all!

Break in the daily routine . . . special program

On Our Way

"Going our way?"

The Polka Dot is the car
Providing you didn't want to go very
far,
The bus is the better in many ways,
Especially for the kids who come
from far away.

A Little Fun . . . A Little Work

The class of '51 have bought their rings

And to some they meant everything.

The season was the fall,

Especially for the parties and the balls.

"Rings on our fingers!"

"Bells on our toes!"

Classy chassis . . . all four that is!

Some work, some play!

Some do, some don't!!

United Nations' Day

During the winter months everyone was kept busy with various activities such as the making and the presenting of the U. N. flag. Organizations were busy with their respective projects and club activities under the supervision of the faculty.

Never a Dull Moment at E. R. H. S.

D. O. in action

Cheer 'em long and loud!

Get your roller bearing!

We check 'em when they're late.

"I just check 'em!"

They saw "Honest Abe's" exhibit

Before!

Wasn't It a Terrific Year?

Now that the end is really here
It all comes back to me so clear,
The joys and sorrows that we had
Even though some were good and some bad.

After!!

They are fitting . . . and proper!

SENIORS OF 1951

So well remembered . . . our Freshman year. Freshmen can always be told by their awkwardness, and we were no exception. It was such a big building, and the truth was that we were lost those first few days. As freshmen, we struggled through Latin and Algebra; and if someone asked our names, we probably replied, "x - 2".

It was fun being Freshmen, though; everything was new, invigorating, full of life. School was fun!

His jokes never ceasing, they come to him quick.

SENIORS OF 1951

Lessons were hard at times, but learning about this complex world was a challenge. The great world of friends and high school social life opened to us, which was a worthy compensation for study. Our first Pow Wow was a colorful carnival of gaiety and fun, which would be hard to forget. And too, there were the fun of our freshman picnic, the excitement of color day, the basketball tournaments, and probably best of all, the last day of school.

Silly Sophomore

I'll tell the wide, wide world she's peppy.

When some silly bum
Told me to find,

But it's awfully lonesome, being good."

Hale, Beverly Ann
Tiny as an elf with her heart all a-flutter.

Senior Cheer Leader, Janet Garrett

SENIORS OF 1951

As sophomores, we were better adjusted. Playing on the football team, in the band, or singing in the chorus, we became part of our school. How proud we felt when the freshmen asked *us* questions! It thrilled us a lot to hear our band marching down the street or to know that our Tigers were bringing us home victory. We became amateurs of the scientific world and knew all about the dissection of fish and fishworms, and could recite the biological phyla backward. And what senior could forget when we topped the seniors of '49 by having our queen candidate elected Pow-Wow Queen.

The Upper Hand

Halsey, Mina June
"Lord! I wonder what fool it was that first invented kissing."

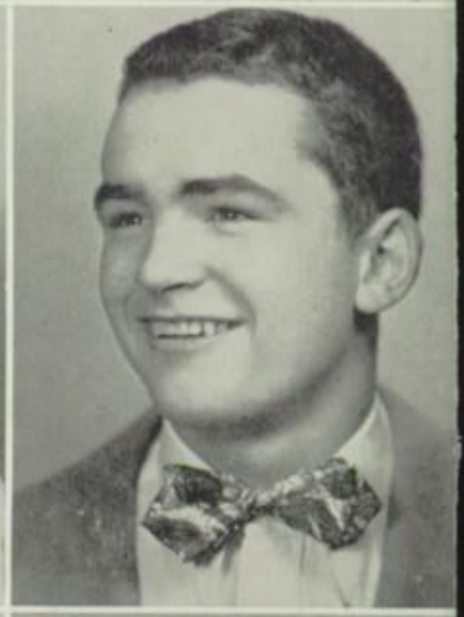
Hamilton, Shirley Mae
She always does her best, and her best is always good.

Harris, Joanne Sydney
The beauty of a girl consists in her actions.

Hawkins, James Arthur
We often see this chap about, Into mischief without a doubt.

Hearring, Donald
A sign of mischief coming.

Henman, Amelia JoAnn
I wonder who's kissing her now.



Was at Last Ours -- As Upperclassmen

Herman, Barbara Jane
Generally speaking, she's generally speaking.

Herman, Julia Marie
Nature made but one like her, and never made another.

Herman, Theresa Helen
"An apple a day keeps the doctor away, that's why I eat oranges."

Hey, Nancy Lou
Smiles and curls are her specialty.

Hilgenberg, Joyce Elaine
Life is to some but one long giggle.

Hixon, Raymond Dee
A man who minds his own business usually has a good one.

Hockman, Ronnie Frank
He could sell a deep freeze to any Eskimo.

Hornback, Beverly Ann
"I'll go if my husband will let me."

Hough, Pat Delaine
Better be happy than wise!

Houser, Marianne
A bit mischievous but never meaning wrong,
As still as any cyclone going all day long.

Hout, Darlene Delores
Not bold nor shy but mighty cute,
Just anyone this gal would suit.

Hudson, Marian Eloise
Now I ask you very confidentially, "Ain't she sweet?"

D. A. R. Award, Louise Van Matre

SENIORS OF 1951

As Juniors we had settled down to studying. Even though the assignments were big, we lived up to our title "Jolly Juniors," for every minute found us laughing and having a good time. We had received the distinction of upperclassmen and loved being looked up to. Most of us had joined some clubs, some had taken offices and some were elected to Student Council and National Honor Society The night for our long awaited prom arrived and clad in our finest, we danced the night away.

Joyful, Jolly,

Huffman, Albert Benedict
Give the devil his due!

Iaun, Edward Eugene
"Don't bother me none!"

Jenkins, Kathryn Lea
Quiet girl with a winsome smile.

Jennings, Mable Clare

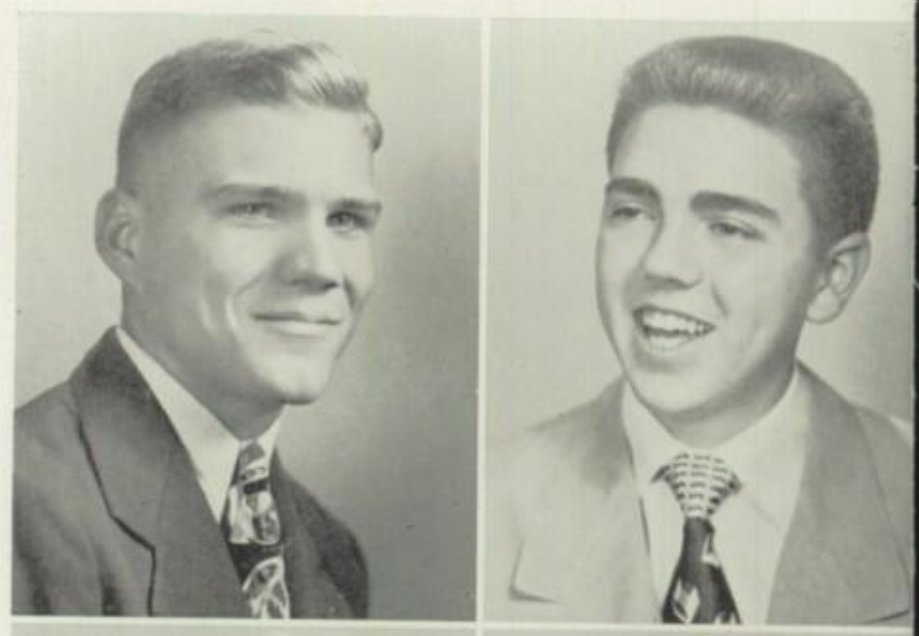
A knock on the door,
A last word to grandmother.
"I'll be home at four."

Johnston, Frederick Eugene
"I disagree with you!"

Judd, Wanda Jean
"For the love of Vern."



Juniors Were We

Judge, Donald Gene
He is the quiet type, you never hear him gripe.

Lindsey, Maida Joanne
"Gee, I know I have a one track mind,
It leads to Harold everytime."

McDowell, John Edward
"Oh, my lumbago!"

Kesler, Martha Earnestine
A serious minded miss you'd say,
Not given much to school-girl follies.

Martin, Gaile Marilyn
"I have a heart with room for every joy."

McFerian, Pauline Marguerite
A disposition to match her laughing eyes.

Laughton, Nancy Marie
Can angels have a sense of humor?

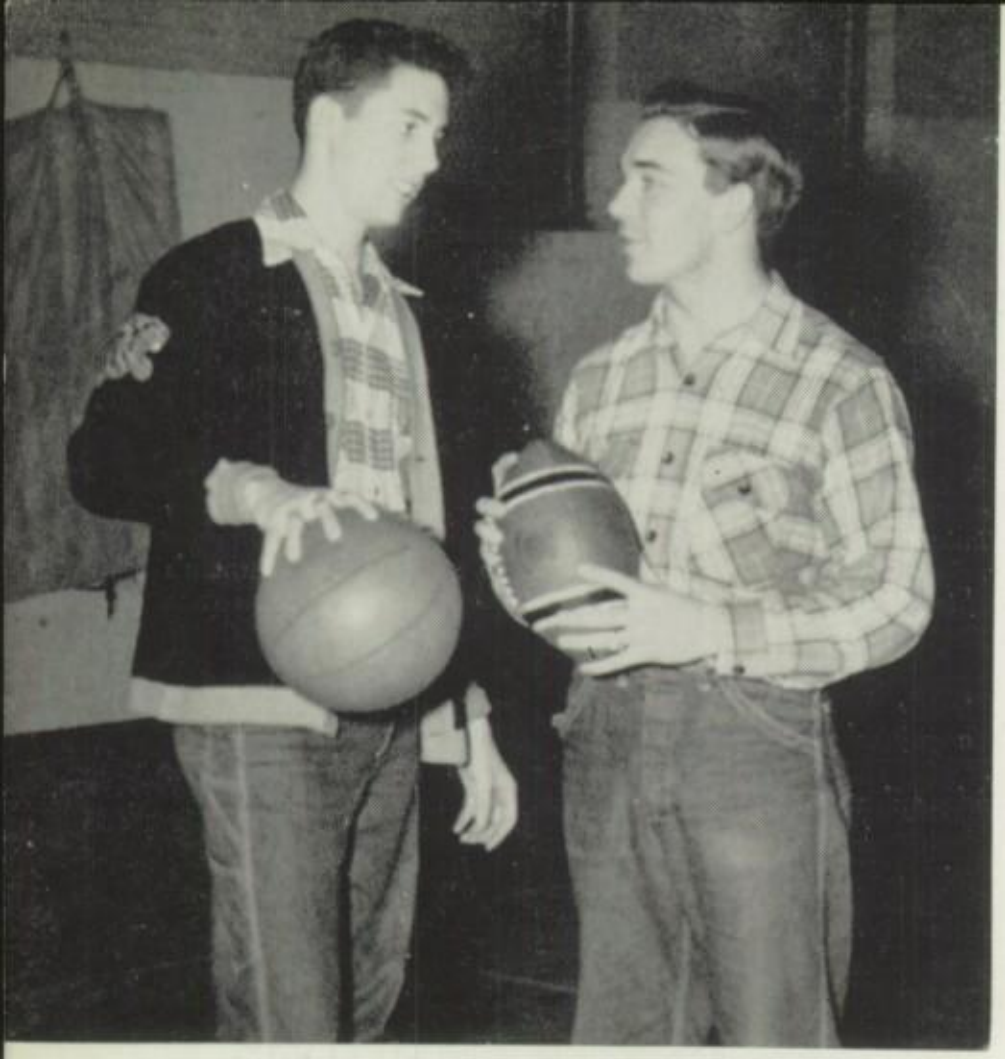
McCarty, Susan Jane
A winning smile, a winning way,
Jovial, friendly, bright and gay.

McLerran, Bryce Haines
Here's a guy who likes to feel free,
He's independent as can be.

Leaf, Mary Joan
In each cheek appeared a pretty dimple.

McCracken, Philip Paul
Shot to pieces by a woman's smile.

Meers, Norman Dean
Happiness is cheaper than worry; so why pay more.



Basketball Captain, John Schneiter
Football Captain, Wendell Faris

SENIORS OF 1951

Our last year, and for some of us, the best, arrived. We accepted the responsibilities of Seniors and school leaders; we attended our last ball games, our last Pow-Wow and Prom, and went to our last classes under teachers whom we had discovered were human beings Our days in the "halls of learning" were drawing to a close. We could look back on all our trials and troubles, successes and failures. All the significant events had become as stars in our crown of achievement.

He may do great things someday.

Pampe, Mary Catherine

A delightful retiring miss.

a dangerous combination.

Quiet minds are generally most happy.

Roney, Connard E.
He's rather slim, he's rather tall,
When it comes to friends, he's got them all.

Schneiter, John Alcorn
John is tops, but to be more specific,
He's tall, he's dark, well, he's terrific.

Reynolds, Betty Ray
"Lord, what fools these mortals be!"

Sager, Ray Earl
I was glad when they said unto me, "Thou art graduated."

Schonert, Mary Joann
Always happy, never glum,
Makes a bright and cheerful chum.

Richards, Phyllis Lee
Not too short, not too shy,
Greets you with a friendly "hi".

Scherer, James Robert
The good die young,
Here's hoping you live to a ripe old age.

Scranton, Russell Alvin
Little he says but much he knows,
When he talks, what he says goes.

F.H.A. State President, Sue Atwood

SENIORS OF 1951

A little sad perhaps, after final tests and the joys and sunshine of Senior week were over, for the last times we, as a class, met together. Baccalaureate, then commencement came, ending our high school career at old E. R. H. S. We set out into the world as young men and women, hopeful, knowing that before us lay great opportunities. Everything one learns is not shown by grades or class standing. We have had dreams and aspirations, and, for the human race, those are the most important. We have one hope, that we shall be able to make ourselves worthy for the life that America gives to us.

Senior Class history by Robert Novak and Mary Catherine Pampe

JUNIORS

Our class of 52 strives to achieve the same degree of success as could be found in the Senior Class. In all respects we are proud of the competition we can give them. We have earned the observance of lower classmen which is a fine feeling indeed. For next year we will be expected to set a high standard of student government which they will profoundly follow.

SOPHOMORES

The Sophomore class has done a great deal of work as a class this year for our school in both betterment and spirit

The first part of credit goes to our sophomore "B" team football players who did a fine job and show wonderful possibilities for the future

The Pow-Wow was also a big success, with Joan Stanley, our candidate winning the title of "Pow-Wow Queen for 1950". We had our usual confetti stand during the night of the Pow-Wow and made a nice profit for our class treasury. A word of praise goes to the Pow-Wow committee for their very capable job in organizing the work.

The sophomore boys on the "B" team in basketball played marvelous basketball and helped us win many of the games. We were extremely proud of two of the boys, Edwin Dunn and Frank Nicholas, for getting to play in the varsity games.

Frank Nicholas was chosen as class chairman and Ida Bennett as Class representative and without their help and the cooperation of our class sponsors, Mr Cammon and Mr. Lance, the sophomore class could not have achieved as much as well as they managed to.

SOPHOMORES

May Day brought the work of decorating the car for our class entry in the big parade. The committee did a wonderful job of the decorations and made the entire class feel as if they had the best entry of the school. Of course it could be that they are just prejudiced.

The Sophomores had a large representation in the band this year. It seems as though they made up about one-fourth of the group and did a fine job of doing their part.

One of the schools four cheerleaders was taken from the Sophomore class. She was Trudy Gassmann who did a swell job of cheerleading and keeping up the school spirit.

Track season started the last of February and quite a few of our Sophomore boys went out for it. They had a lot of hard work and sore muscles at first but soon came out of it and helped make one of the best track teams E. R. H. S. has had.

Grades kept most of us busy this year in trying to make good ones. John Coen led the class once more and we, the Sophomore class, are very proud and want to congratulate him on his fine work.

Spirit and Endeavor Was Our Motto

Olney football started its comeback last season, despite the fact that the boys lost every varsity game. Overcoming the tremendous handicaps of size, weight, and inexperience, the boys fought gamely and learned about football the hard way.

At the end of the season 25 major letters were awarded, 20 of them going to boys who had never won a major letter in any sport. 18 of these lettermen will be back next season, and their increased experience and size should aid in getting back to winning ways in football.

The most heartening feature of the past football season was the fine showing of the underclassmen. These boys defeated Albion, Lawrenceville, Salem, Fairfield, Bridgeport twice, and tied Flora, losing only to Mt. Carmel by 7 points in their first game of the season, and

these boys displayed a real fighting spirit. They played well together as a team, scoring 180 points to their opponents 80. The outstanding ball carrier was Bill Hatch, Sophomore, left half, who scored 11 touchdowns behind splendid blocking by his underclassmen teammates.

The coach is counting on these boys to develop the football ability and the will to win, which is so necessary if Olney is to rise to higher heights in football.

CONFERENCE

OLNEY BASKETBALL
1950-51

The Olney Tigers opened their season with a bang by defeating the Allendale five. The next game, played on the Salem court, was the first defeat and a conference loss. We came back fighting and downed Lawrenceville by 15 points to begin a 13 game winning streak including 7 conference wins.

For the first time in many seasons we defeated our rival, Flora, on both courts with decisive victories. An upset in the McLeansboro tournament by a scrappy Albion team eliminated the Tigers.

CHAMPS

A win for the Tigers over Mt. Carmel, and a loss for Lawrenceville to the Salem Wildcats clinched the N. E. C. title for us since we were tied for first with Lawrenceville.

We are losing several valuable Senior members of our team including Captain John Schneiter, Chuck Westall, Bruce Dean, Wendell Faris, and Jimmy Scherer. However, the 1951-52 season looks bright as we find three starters, Carey Westall, Harold Frost, and Jay Arledge, back at the front with several other promising candidates in sight.

G. A. A. in Action

To offer girls who are particularly interested in sports a further opportunity for active participation is the fundamental aim of the Girls Athletic Association.

HATS OFF TO THE G. A. A. Officers For '50 and '51. These three girls were Janet Garrett, President; Marianne Houser, Vice-President; and Barbara Phillips, Secretary and Treasurer. They with the help of the executive officers: Janet Garrett, Marianne Houser, Barbara Phillips, Trudy Gassmann, Sarile Gilliland, Nancy Laughton, Carolyn Jennings, and Joyce Hilgenberg, individually and collectively have been largely responsible for the accomplishment of the year which is behind us.

STUDENT COUNCIL

One of the most active and efficient organizations in our school is the Student Council. The council is composed of two representatives from each class and one from each organization.

The council carried the brunt of many school activities, such as color day, elections, a march of dimes campaign, the prom, and the Pow-Wow. They also scheduled special programs.

The council was under the very capable leadership of faculty members Mr. Powell and Mr. Rasmussen.

Their regular meetings were held every other Wednesday with many special meetings called because of special issues coming up.

The officers whom we should be proud of, are: Sam Fehrenbacher, President; Jim Jenkins, Vice-President; Sue Atwood, Secretary; and Bob Novak, Treasurer.

TIGER RAG

Sweat and hard work were given by the TIGER RAG staff in order to publish their weekly paper. Approximately thirty issues were printed during the school year carrying news of school affairs, and the social slant on school life.

Work on the school newspaper offered to students interested in journalism an opportunity to write and to learn the abc's of newspaper work.

Toward the end of the week there was always a last minute hustle to meet the deadline. Reporters had regular assignments each week, as well as special ones from time to time.

Always striving for improvement we put out a four-column paper instead of the usual three. Co-editors were elected at the beginning of the year.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America have been busy this year. The year began with the Freshman Tea, to which all freshmen were especially invited so they could get acquainted with our club. Later all the new members were given rough initiation. National F. H. A. Week was observed in which something special was done for each day in the week. On United Nations Day F. H. A. presented a U. N. Flag to the school. Christmas there was the World Christmas Festival, the Christmas Party, when we went caroling and gave Christmas baskets for needy families in Olney. In January formal initiation was held. The big event of the year, however, was the annual Sunbonnet Hop. Our chapter president, Pat Lathrop, attended State Leadership Training Conference at Bloomington.

FUTURE FARMERS OF AMERICA

This year the F. F. A. had quite a few activities that they carried on. During the past summer twenty members played on the softball team in the bush league and won the first place trophy.

The pest contest was the high spot of the school year. This was a contest between two sides. A picnic was given for the winning team by the losers. The high individual was given a rifle and the second high was given a BB gun.

The F. F. A. had a hayride with the F. H. A., and after the hayride there was a picnic.

Five boys, Norman Young, Gordon Schnepper, Wendell Cleaver, Eddie Iaun, and Carrol Schrey were sent to the national F. F. A convention at Kansas City, Missouri.

The sponsors of the club are: Mr. Petty, Mr. Baird, and Mr. Lance.

Meetings are held every other Thursday, and after the meeting the members work in the shop or have some form of recreation.

The hobbies consist of working with wood, metal, as in welding or machine shop, or working in the auto-mechanics department.

N. F. L.

The national Forensic League was reorganized this year by Miss Phyllis Canning. N. F. L. is a national organization. Six members participated in a district speech contest at Newton this year and we tied with Albion for third. Janet Garrett, who was third in Original Oratory, and Danny Long, who was second in the Extempore Speaking, were entitled to move on to the sectional contest that was held in West Frankfort. Other students who were entered in the district contest were Carol Hamilton, Serious Play Reading; Trudy Gassmann, Extemporary Verse Reading; Bruce Lauer, Oratorical Declamation; and Sarile Gilliland, Humorous Reading.

Also making up the N. F. L. topic this year was a debate team. The topic this year was "Resolved: That the People of the United States Should Reject the Welfare State."

The Girls' team consists of Ida Bennett, Kay Jenner, Patsy Brown, Jean Brooks, Jeanne Churchwell, Doris Leet, Joan Stanley, and Joyce Petty.

The main source of income is from the refreshment stands at the football games, operated by members. However, the magazine sales contest between the Olnean and Rifle Club starts off the year. Charles Van Cleve was our high salesman this year. The two organizations make a nice profit out of the competition.

RIFLE CLUB

The Club attended the National Shoulder to Shoulder and the Washington University Invitational match for the St. Louis area during March. It is a member of the newly-organized Illinois High School League. We competed in a series of semi-weekly postal matches and also fired shoulder to shoulder matches with this League. All League and National events are fired in the prone, sitting, kneeling, and standing positions. The Invitational and National Postals are prone and standing matches.

We entered two Boys' teams and a Girls' team in the National Postal matches, and one Boys' team in the Hearst Trophy Match. Our Club's position in the National Rifle Association is high, and we intend to keep it that way.

CAMERA CLUB

The Camera Club is a rapidly growing organization in our school. This year the Camera Club has added to its equipment a new Speed Graphic Press Camera, an exposure meter, a photocopy machine, an automatic film holder, and many other time-saving conveniences in the dark room. Mr. Allison became our sponsor when Mr. Specht left. The Camera Club is a distinct advantage to our students of E. R. H. S. who like to take, develop, and print their own pictures economically. This year the club has taken over practically all of the picture taking for the Olnean. If you are interested in the club, do not hesitate to investigate some Monday night.

NATIONAL HONOR SOCIETY

Requirements for membership in the National Honor Society are outstanding scholarship, service, leadership, and character. The members pictured were elected by the Senior class on the basis of the requirements. Other members will be chosen at the end of the Senior year.

The organization is sponsored by Miss Pearl Yost. Although they have no regular meetings, we are very proud to have one organization whose purpose is to honor outstanding leaders with high scholarship and character. One member not pictured is Chuck Westall.

OLNEAN STAFF

The Olnean this year was started in the summer by the Co-editors, Lynn Miller and Jim Burgan; Social Editor, Bette Schmalhausen; and Business Manager, Shirley Hamilton; and the Sponsors, Mrs. Benson and Mr. Powell. They decided that the earlier they started on the year book the earlier it would be delivered.

One of the big events for the staff was their trip to Champaign early in the fall. The Editors and the sponsors went to Champaign for two days to the Illinois State High School Press Association Conference. At Cham-

paign they chose their cover for the book and learned many interesting things on engravings and advertising and other subjects pertaining to the yearbook.

Other things the Olnean did this year was: have their usual round of dances after football and basketball games. The biggest dance was the annual Christmas Dance. The dances this year were held at the American Legion Home and were all a big success. Another money-making project was their advertising and subscription campaigns.

This year, as in past years, the E. R. H. S. band began another successful season with its marching antics on the football field. With the Salem band as guests the two bands joined together to perform at the dedication ceremony on the new field. We were invited to march at the Lawrenceville game, and we were proud to march on their field.

The most successful exchange concerts with Salem were held this year. We felt almost professional as we played some of the best known classical and semi-classical music.

BAND

Combined with the chorus two successful and entertaining concerts were held, the Spring Concert and the annual Christmas program.

In the Spring, the band eagerly boarded buses which took them to the annual Spring Music Festival, in which there were eight other bands.

At graduation, there was a pre-graduation concert and everyone felt a little sad as the recessional brought to a close another wonderful year of music.

CHORUS

With fifty-five members, E. R. H. S. can be proud of its chorus.

The music department has discovered new material which formed into the boys' chorus which has presented many good programs. Some of the presentations were at the Salem-Olney Concert, the E. R. H. S. Open House, and the Clio Club.

In the fall, several of the chorus members went to Charleston to the Choral Clinic under the direction of Dr. Harry Wilson of Columbia University.

The main highlight of the chorus is always its Christmas Program. This year they sang eight numbers. They worked hard and long hours to present

this program. One of their new presentations was, "The Song of Christmas." They closed the program with the "Hallelujah Chorus."

Spring is the big carnival for the chorus. This year Director "Gus" Sliva and the music department are planning an exchange program with surrounding schools in the area. Music will be presented by the entire chorus and different vocal groups. In addition to the vocal groups going to contest, we have our annual Spring Concert, which we all look forward to. Also the chorus is an annual part of the baccalaureate services.

Although they have worked hard and sung "off-key", they have all enjoyed presenting these programs.

POW WOW QUEEN

Miss Joan Stanley

Our annual Pow-Wow was held early in the fall. The Senior Class added to its gaiety with their skit, "The Hoot Holler School House." The Juniors presented a "Variety Show." Other concessions such as the traditional Sophomore confetti and balloon stand and the Freshman Fish Pond went over with a bang as always. Each organization sponsored some kind of activity. The Rifle Club's shooting gallery, the N. F. L.'s Candy Bar, and the Industrial Arts Club's nail driving contest kept the crowds moving.

The highlight of the evening was the dance and the crowning of the Queen Miss Joan Stanley. Or should we say Miss Cinderella. such was our theme. Everyone danced to the beautiful music of Wayne Karr and his band.

After the crowning of the Queen a floor show was given with Pat Cummins as Master of Ceremonies.

Cheaper by the Dozen

The Class of '51 presented a three-act comedy, "Cheaper by the Dozen" to packed houses on the evenings of February 23 and 24. The play proved to be one of the most popular ever presented at East Richland High School. The production was under the fine direction of Miss Hostettler with the capable assistance of two senior girls, Alberta Brashear and Marianne Houser.

The cast of the play consisted of the following seniors: Pat Cummins, Nancy Laughton, Susan McCarty, Jim Scherer, Theresa Herman, Janet Garrett, Bryce McLeran, Eddie Iaun, Joanne Harris, Pat Hough, Sue Atwood, Fred Johnston, Clare Jennings, Linda Stanford, Jim Hawkins, and David Dailey. Of equal importance to our cast was the "five dollar dog", Pluto. Other than the cast, many seniors aided in making the play a smashing success by selling tickets, securing properties, sound effects, and aiding in the make-up.

Those six exciting weeks of hard work and fun will always be remembered by the cast. Of course, we had our troubles, too, but those are minor details now.

Miss Hostettler, our wonderful director, summed up the play on the closing night, by saying, "In spite of rain, mud, snow, ice, and the National Guard, the Show went on."

Track - 1951

BY CHUCK WESTALL

This year's prospects for the track team were very encouraging as there was a large turn out in response to Coach Don Miles' call. Although this squad was lacking in experience and proved abilities, it should profit greatly with hard work and a bright future in mind.

The squad will participate in two meets with Newton, and also enter the N. E. C. meet. A Freshman-Sophomore track event will be held at night with possibly six teams entering.

The boys who will wear the Orange and Black and represent Olney on the track in 1951 are as follows:

Sprinters: Pat Hough, who placed 2nd in the 100 and 4th in the 220 in last year's N. E. C. meet and 4th in the 220 at the District meet, will be counted on for many of the team's points. Francis Werheim should also be of great value in the point-making department. In the hurdles, Bill Hatch and John Coen are two boys who will bear watching. Although they are only Sophomores, their abilities are of great potentialities. Major Wilkinson and Harold Frost will be the distance men, running the 440 and 880 respectively. In the weight, Carey Westall will throw the shot and discus. Representing us in the pole vault will be Albert Huffman, while in high jump, Carey Westall, Everette Brewer, and Bruce Dean will carry our hopes. In the broad jump, Bruce Dean and Bill Hatch will be the ones to count on.

For the first time in the history of the school, an intra-school track meet will be held, with the four classes competing against one another. This should initiate an outstanding event which will be looked forward to each year.
